

Oil Industry Competency Path

Energy Management Institute - www.emi.org

EMI's Oil Industry Competency Path makes continuing your training simple, leading you through our courses from beginning to end. Start anywhere on the path based on your experience and knowledge, and continue your way to complete competency. Click on any course title for more information and public course dates. All EMI courses can also be customized and brought onsite to your location.

For detailed course information, contact EMI at 888.871.1207 or info@emi.org. Visit EMI.org for current course schedule.
